

April 13, 2006

The April COHOPE meeting was considered a business meeting mostly devoted to officer elections - President and Secretary. Justin Everett and Cheri Paavola were nominated and elected to remain in their current positions as President and Secretary respectfully. Walt Frankland and Janet Shangraw, Foothills Park and Recreation District board members were in attendance and wanted to remind everybody of the May 2nd elections for board members - 2 member positions are up for election. Walt and Janet are incumbents and are running for reelection and were asking for our support to maintain the continuity of the existing board. The polling places for the Foothills Park and Recreation District elections are: The Peak at West Meadows, Schaefer Athletic Complex - Maintenance Center, Kyffin Elementary School and Coronado Elementary School. Sheriff Deputy G. D. Lacerte introduced himself and is the new Crime Prevention officer for our area and Sheriff's representative to COHOPE. The previous Sheriff's representative, Deputy Jeff McFarland has gone on to the investigative division. Because this was considered a business meeting no guest speaker was scheduled. Lawyers from HindmanSanchez are scheduled for next month for follow up discussions on SB100.
