

COHOPE Report - April 12, 2007

The April meeting was COHOPE's annual business meeting for the election of officers. The offices of vice-president and treasurer were up for election this year. The current incumbents, Florene Ratherham and Ray Moore were unanimously reelected for another term. Because of the business meeting a guest speaker had not been scheduled. The sheriff's deputy was not present so we did not get a crime statistics report or any other news from the Sheriff's department. Walt Frankland representing Foothills Parks and Recreation was in attendance and reported that the Park's soccer fields were opened for spring and summer play. Walt was asked about the contractual arrangements between Foothills and the Columbine Knolls Recreation District but was not able to answer the questions. He committed to having more information at next month's meeting. The rest of the meeting was discussions by members from the Westridge area relating to their concerns with the potentially significant expansion plans of the Rock Church in their neighborhood.
