

Columbine Knolls South/Estates -Trash Hauling

To maintain a nice appearance to the neighborhood, the CKS/E HOA desires that trash be hauled on Monday or Tuesday. By minimizing the number of days that waste containers are visible on streets, and the number of days that the large noisy trash trucks are in the neighborhood, we feel that it adds to the quality of life for our residents and keeps our neighborhood looking great.

Allied Waste (303) 286-1200 Monday pickup

Pro Disposal (303) 791- 3827 Tuesday pickup

Waste Management (303) 797-1600 Tuesday pickup

On pickup day, please place containers in your driveway as state law prohibits blocking sidewalks or streets.

Other than pickup day, trash containers may not be stored where they can be seen by the public.
